Kalvin Goh: Leadership & Soft Skills Trainer | Team-building Coach | Corporate & HR Consultant

Kalvin Goh is a Humanistic Management Consultant, Corporate Trainer, and Team Building Coach with extensive experience in leadership development, team performance, and organizational transformation. With over a decade of experience in business, HR consulting and training, he integrates psychology-based coaching techniques, NLP frameworks, and people-centered management principles to help individuals and organizations achieve measurable growth.

As a Certified Master NLP Practitioner and Hypnotist, Kalvin specializes in behavioral transformation, mindset reprogramming, and communication mastery. His coaching and mentoring sessions empower professionals to break limiting patterns, enhance emotional intelligence, and develop confidence to lead effectively in today's dynamic business environment.

Areas of Expertise:

- ✓ Executive & Talent Coaching – One-on-one and group coaching to strengthen leadership, performance and emotional intelligence.
- ✓ Corporate Training & HR Consulting – HRDC claimable training in HR management, leadership, communication, ESG awareness and organizational development.
- ✓ Team Building & Culture Development – Experiential programs that enhance collaboration, communication, and problem-solving in teams.
- ✓ Soft Skills & Personal Mastery – NLP-based workshops on presentation, customer service, self-confidence and mindset growth.
- ✓ Performance & Motivation Design – Helping organizations align people, purpose, and performance through customized frameworks.

Professional Journey:

Kalvin Goh commenced his career as an account assistant in 2006, honing his accounting, audit, and taxation expertise. His career path diversified as he ventured into the direct sales industry, affiliating with esteemed companies such as Herbalife, Amway, and others, gaining invaluable experience. In 2013, Kalvin transitioned into sales roles encompassing dental supplies, property, and insurance consultancy, further refining his sales insight and techniques. He also assumed roles as a life coach at Persatuan Yuan Man and an event manager at the International Business Alliance, broadening his skill set across multiple domains.

Philosophy:

Kalvin believes that lasting transformation begins from within. His coaching approach blends NLP methodologies, hypnotic communication, and practical management tools, creating breakthroughs that are both personal and professional. Every session is designed to unlock human potential, align mindset with goals, and drive sustainable behavioral change.

He uses his proprietary B.R.E.A.K. Learning Framework to ensure that every training or coaching engagement produces measurable, sustainable, and transformational outcomes.

Expertise & Impact:

Kalvin is renowned for his fervor in enhancing leadership and communication skills. With a proven track record, his training sessions have helped over 350 participants overcome communication barriers and bolster self-confidence within a mere two-day span. His clients have lauded his strategic guidance in formulating market plans, resulting in increased sales and the emergence of top sellers in the Southern Region. Kalvin emphasizes the significance of self-communication in boosting personal and collective confidence, advocating a core belief that nothing is impossible with the desire to transform possibilities into realities.

Training Philosophy & Focus Areas:

Kalvin's training philosophy emphasizes the significance of thoughtful responses over-reactive answers, fostering creativity in problem-solving and communication. He champions interactive training sessions that facilitate mutual understanding, making listening to a more effective component in two-way communication. His expertise extends beyond exceptional Train-The-Trainer programs to encompass an array of soft skills training.

Vision & Clientele:

As a visionary leader, Kalvin Goh aspires to guide millions of enterprises in contributing positively to society. His clientele comprises an illustrious array of organizations, including the companies below and others from various industries.
