ACCREDITED TRAINER PROFILE

Introduction

Malaysia, Brunei, Philippines, Australia, Japan, Vietnam & Singapore. Having then been working in both indoor and outdoor environment, doing in-house trainings, conferences, workshops & organising PROGRAMS AND ALSO INVOLVED with field operations, it gives him the upper hand of adapting to any kind of situations.

Apart from this, he's also active in sports and outdoor activities, representing the college & university at national levels for rugby (played for COBRA Club in PJ), volleyball, tennis and table tennis.

Shashi also taught web design and database classes for 3 years, specialising in Microsoft and Adobe courses, also providing training in C, C++, Java, database and web-related programming for 3 years. His programming background ranges from programming for programmable logic controllers, SQL and Java programming for database manipulation.

Shashi then spearheaded (as site manager & advisor) for a total "state of the art" CCTV security revamp at the parliament house of Malaysia in 2009 to 2010.

After over 15 years of training experience and in the industry, he intends to step up, discover and fulfill his potential in being a trainer consultant, coach and mentor. From his hey days in GLOBALKNOX he landed in front of AWESOME TRIBES & RICH MARK's door in 2013. He now mainly handles EXPERIENTIAL teambuilding programmes across the country for both companies and works closely with various other training providers as well & handles project basis consultancies for some corporate companies as and when needed.

Testimonials

"It was very well done – He was entertaining and flexible to meet our needs. Very likeable and fun... Thanks!" – Sylvi, Head of Procurement; MAS Academy
